Dear Friends and Supporters of Branches of Hope,

Greetings to you and your loved ones. I hope this letter finds you well and in good health.

2024 marked a year of significance during which we refreshed the foundational pillars of our organisation's values. Our four core principles of community, integrity, dignity, and justice will serve as the cornerstones to uphold all that we do to serve our community of refugees, asylum seekers and those who experienced human trafficking and exploitation.

Community is at the heart of our mission, whether it be those we are serving or those who walk alongside Branches of Hope to uplift and support Hong Kong's most vulnerable. The spirit of community provides both hope and home, and throughout 2024 we were blessed to have witnessed a consolidation of this spirit within our staff, leadership, and our wider associates from the Vine church.

A black and white portrait of Trudy Tam, the Chair of the Board. She is a woman with short dark hair, smiling slightly, wearing a dark polka-dot top. The background is a textured stone wall.

Trudy Tam

In a world so commonly marked by division and conflict, unity within the communities is not just a virtue; it is a necessity to survive and flourish. It is only through open hearts, mutual understanding, respect and acceptance when we can truly embrace each other as a community.

Integrity guides all our actions. We strive to uphold the highest standards of ethical conduct in all our operations, and our commitment to transparency and accountability ensures that we serve our beneficiaries with honesty and trust. Giving a voice to both our supporters and beneficiaries is core to maintaining our integrity of service and ensuring a fair and effective provision of support. 2024's stakeholder survey was indicative of this approach, and with service ratings improving from previous years, it seems that we are on the right track.

Dignity is a fundamental right for every person. But this sense of individual worth can be too easily stripped away, and it is for this reason that our community strives to uplift those who falter, for in His eyes all are worthy. Both our STOP and ROAD teams work to offer dignified lives to those who come seeking aid. When individuals are treated with respect and their inherent worth is acknowledged, it empowers them with self-esteem and resilience, enabling people to overcome almost unimaginable challenges.

Justice is at the core of our work. As the Lord requires us to do justice, to love kindness, and to walk humbly with our God, may I invite you to join Branches of Hope in calling for justice for our community members. Whether through financial support in a challenging economic environment, volunteering your time and skills, or spreading awareness, every contribution is a step toward justice.

Only by standing together in faith and love can we foster support for our community of beneficiaries to live with dignity and hope.

致各位希望枝子的朋友及支持者：

謹此向您與摯愛親友致以誠摯問候，願此信送達之時，諸位身心康泰。

2024年是希望枝子深具里程碑意義的一年，今年我們重新梳理了希望枝子的核心價值，以「社群共融」、「誠信」、「尊嚴」及「公義」四大基石相輔相成，構築起服務體系的堅實根基，讓我們繼續為難民、免遣返聲請人及人口販運倖存者提供支援。

社群共融 是我們核心使命 — 無論是對於社區成員或是與希望枝子攜手扶持香港弱勢和邊緣社群的同行者。在2024年，我們見證了員工、管理層和葡萄藤教會社群之間展現的共融協作精神，賦予我們希望和歸屬。在充滿分歧與紛爭的世界，互助不僅是美德；更是我們生存乃至自我實現的基石。為此，我們敞開心胸，以理解、尊重與接納的態度，真誠擁抱每一位成員，讓每個人都能在社群中找到自己的位置。

我們以 **誠信** 為本，恪守最高道德準則，並致力於各項服務中貫徹公開透明、誠實守信的核心價值。我們高度重視社區成員與支持者的聲音，並於2024年開展持份者意見問卷調查。令人振奮的是，各項服務指標均較往年顯著提升，充分肯定了我們的服務走上正軌。

尊嚴 是每個人生而擁有的權利，卻也是極其脆弱的珍貴價值。在上主的眼中，人人皆有其不可取代的意義。正因如此，STOP與ROAD團隊始終致力於為香港弱勢社群和邊緣人士恢復尊嚴、公義和希望。當一個人的內在價值被真正看見、尊重與肯定時，他們將獲得力量——這不僅是賦權，更是點燃自尊與韌性的火種，使他們能直面生命中那些看似無法逾越的挑戰。

彰顯公義 更是我們工作的核心所在。上帝要求我們行公義，好憐憫，存謙卑與你的上帝同行。我誠摯邀請你加入希望枝子的行列，與我們攜手為社區成員爭取公義。無論是在經濟下行期間慷慨解囊，付出技能和時間義務工作，或為弱勢群體發聲倡導，每一個舉動都引領我們走向公義。只有以信仰和愛為名連結起來，我們才能凝聚力量，讓每個人都能活出尊嚴，重拾盼望。

Letter from the Executive Director

行政總監的話

“

There is always more to be done, and together, we can achieve even greater heights.

志無止境，同心協力，共同攀上新高峰。

”

Dear Supporters and Friends of Branches of Hope,

As we gather to reflect on the past year and look forward to the future, I am filled with gratitude for the unwavering support and commitment that you, our supporters, have shown us.

2024 has been a year of remarkable growth for Branches of Hope (BoH). Both of our programs, STOP and ROAD, have seen a significant uptick in the registration of new service users, bringing the total number to well beyond 1,500. That number mushrooms to over 2,000 if we include STOP workshop participants, and beyond 6,000 if we factor in those reached through STOP outreach initiatives.

We have continued our vital service delivery while simultaneously reinforcing the structural improvements made in the 2 years prior. One initiative that deserves particular recognition is the comprehensive overhaul of the ROAD monthly financial assistance program. Originally called Secret Angel, the program has been rebranded as the Support Trust for Accommodation of Refugees (STAR) and is redesigned from the ground up for greater transparency and equity.

Alexander Pforte

At the organizational level, one of our most significant accomplishments in 2024 was the successful development of our new three-year strategy, which has set a clear direction for our initiatives until 2027. Recognising and celebrating our significant relationship with the Vine church, BoH will continue to nurture and prioritise our involvement in order to maximise the added value it provides for both organisations. Additionally, our team developed a new value statement that both cemented BoH's Christian identity whilst balancing our commitment to impartial service to the vulnerable and marginalized.

Looking ahead, our focus will remain on not only sustaining our achievements but also enhancing our programs and partnerships. We are excited to be rolling out our Corporate Ambassadorship program, which we hope will empower individuals to leverage their positions within corporations to unlock matching donations and other resources that would be hugely beneficial for our communities and the work we do. Internally, we are looking forward to the development and rollout of a bespoke client database and casework log. Our commitment to maintaining a robust system of impact measurement will empower us to better serve our communities and evaluate our effectiveness.

Finally, I would like to extend my heartfelt thanks to each of you — donors, volunteers, partners, and advocates. Your support fuels our mission and enables us to make a meaningful difference in the lives of those we serve. I am particularly grateful for the support from the Partnerships Committee, The Vine church and its congregation, and our Board members. There is always more to be done, and together, we can achieve even greater heights. Thank you for being a part of the Branches of Hope family.

親愛的朋友和支持者：

衷心感謝您們一直以來的信任與同行。在回顧過去一年的點滴、展望未來之際，我心中滿懷感恩——正因為您的支持，希望枝子才能持續為弱勢社群帶來改變。

2024年是希望枝子茁壯成長的一年。我們的STOP與ROAD項目總登記服務對象超過1,500人，連同STOP工作坊參與者，總受惠人數突破2,000人。若進一步計入STOP外展服務的接觸範圍，影響人數更超過6,000人。

在持續提供核心服務的同時，我們進一步鞏固了過去兩年實施的結構性改革。其中一項重要成果是對ROAD項目的每月財政援助計劃——「秘密天使」全面革新為STAR計劃（Support Trust for Accommodation of Refugees）。這項改革不僅提升了計劃的透明度與公平性，更優化了援助分配機制。

2024年，我們在組織發展上取得了關鍵突破：制定了2024-2027三年策略規劃，為各項服務指明方向；深化與葡萄藤教會的合作夥伴關係，發揮協同效應；確立新版本使命宣言，既堅守基督教服務精神，又強化對社會公義的承諾。

展望未來，我們的工作重點不僅是維持我們所取得的成就，還要提升我們的項目和對外合作夥伴關係。我們很高興推出企業大使計劃，邀請專業人士協助拓展配對捐款及資源網絡。對內我們期待開發和推出客製化的個案資料庫和個案記錄，並利用影響力評估系統，使我們能更有效地服務我們的社群，並評估我們的工作成效。

最後，我想向每一位捐助者、義工、合作夥伴和倡導者表示由衷的感謝。您的支持推動了我們的使命，使我們能為我們所服務社群的生活帶來有意義的改變。我特別感謝合作夥伴委員會、葡萄藤教會及其會眾，以及我們的董事會成員所給予的支持。志無止境，同心協力，共同攀上新高峰。感謝您成為希望枝子大家庭的一份子。

Casework Support

Of the 33 new clients taken on by STOP over the course of 2024, 23 were female and 10 were male. STOP had 9 clients from both Sri Lanka and the Philippines, with a further 7 from Indonesia. The rest were from India, Nepal, and Uganda.

Along with the usual support for clients undergoing the process of seeking redress through the labour/MECAB process, the care program has achieved success in 2024 with two specific issues:

1. Assisting 10 clients with cases of deceptive recruitment and financial exploitation (money laundering)
2. Supporting clients who have sexual abuse claims against former employers.

A client satisfaction survey was held at the end of 2024 where 100% of respondents stated that:

- ✓ they felt respected,
- ✓ they felt listened to,
- ✓ their needs were responded to,
- ✓ they were helped to know how to respond to future needs and difficulties,
- ✓ that STOP made their situation better/easier,
- ✓ that the service met their needs.

個案工作

2024 年期間，STOP 團隊共接獲 33 宗新個案，當中包括 23 名女性及 10 名男性。來自斯里蘭卡和菲律賓的個案各佔 9 名，位居首位；其次為來自印尼的 7 名。其餘個案則來自印度、尼泊爾及烏干達。

除了協助求助者透過勞工/小額薪酬索償仲裁處 (MECAB) 渠道尋求賠償外，我們的關懷計劃在 2024 年亦於以下兩個特定領域取得顯著成果：

1. 成功協助 10 名涉及欺詐招聘及財務剝削（洗黑錢）個案的事主。
2. 為曾遭前僱主性侵犯的事主們提供支援服務。

我們於 2024 年底進行了求助者滿意度問卷調查，全部受訪者均表示：

- ✓ 感到內受尊重
- ✓ 感到被聆聽
- ✓ 需求獲得回應
- ✓ 學會如何應對未來的需求和困難
- ✓ STOP 團隊的服務令他們的處境得以改善或變得更容易應對
- ✓ 所提供的服務切合他們的需求

EMPOWERMENT 賦權

Migrant Domestic Worker Outreach

In 2024 the Stop Trafficking of People (STOP) programme conducted nine outreach activities to major districts (Mongkok, Mei Foo, Victoria Park, North Point, Admiralty, Shatin, Tamar Park), speaking with approx. 4,600 MDWs, with the assistance of 81 MDW volunteers.

Two Outreach trainings for MDW volunteers were held, in English and Bahasa, leading to the establishment of Indonesian MDW outreach volunteers, that have joined our dedicated Filipino outreach volunteers.

Alongside the usual Sunday outreach, STOP began doing more cultural community events, such as attending events at churches, consulates and social groups. This has been a good opportunity to grow our reputation within the MDW communities and develop new relationships.

STOP was also invited to hold a booth at Indonesia Week in November 2024, where we spoke with over 1,000 MDWs over the course of 2 days. Through the addition of new staff, STOP has been invited on multiple occasions to present at the orientation of new MDWs at the consulates of the Philippines and Indonesia. This will continue into 2025.

外籍家庭傭工外展計劃

2024 年，STOP 團隊在 81 名外籍家庭傭工義工的鼎力協助下，於旺角、美孚、維多利亞公園、北角、金鐘、沙田及添馬公園等主要地區，開展了九場外展活動，接觸並服務了約 4,600 名外籍家庭傭工。

我們為外籍家庭傭工義工舉辦了兩場外展培訓，分別以英語及印尼語進行。這些培訓促成了印尼籍外籍家庭傭工外展義工團隊的成立，與現有的菲律賓籍外展義工團隊並肩服務。

除了常規的星期日外展活動外，STOP 團隊開始參與更多文化社區活動，如出席由教會、領事館及社交團體舉辦的活動。這些活動帶來了重要機會，不僅提升了我們在外籍家庭傭工社群中的知名度，更能藉此接觸更廣泛的社區人士。

2024 年 11 月，STOP 團隊獲邀參與「印尼週」活動並設立宣傳攤位。在為期兩天的活動中，我們接觸了超過 1,000 名外籍家庭傭工。隨著團隊新增人員配置，STOP 團隊多次獲得菲律賓及印尼領事館的邀請，於新來港外籍家庭傭工迎新會上進行專題演講。這類型的合作將在 2025 年繼續推進。

Empowerment Workshops

In 2024, STOP conducted 31 Sunday workshops which were attended 873 times.

Accompanying the STOP Research project on MDWs from Minority Source Countries, STOP ran five Sunday workshops in Sinhala, which were attended by Sri Lankan and Nepali MDWs and led to an increase in enquiries from members of those communities. Two workshops were conducted with Bahasa interpretation targeting the Indonesian communities, while the rest were conducted in English.

Topics ranged from Know Your Rights, Loans and Financial Scams, Confident Communication and Negotiations, to Illness and Injury. STOP held large workshops as well as small group 'Kwentuhan' community sharing sessions.

From the 109 respondents to the workshop feedback form, implemented in April 2024:

- ✓ Participants related that the activity was enjoyable: 98 rated the activity as 5 stars, 10 as 4 stars
- ✓ The Information was easy to understand: 70 Rated it 5 stars, 10 rated it 4 stars

賦權工作坊

STOP 團隊於 2024 年共舉辦了 31 場星期日工作坊，合共錄得有 873 人次出席。

為配合「少數族裔來源國外籍家庭傭工研究項目」，STOP 團隊特別開辦了五場以僧伽羅語進行的星期日工作坊，吸引了斯里蘭卡籍及尼泊爾籍的外籍家庭傭工參與，成功帶動了更多來自這些社群的查詢。此外，亦有兩場工作坊設有印尼語傳譯，主要服務印尼社群；其餘工作坊則以英語進行。

工作坊主題廣泛，涵蓋認識工作權利、貸款與財務詐騙、自信溝通及談判技巧，以至疾病與傷患處理等實用議題。STOP 團隊舉辦了大型工作坊，同時亦設有名為「Kwentuhan」（菲律賓語，意指「講故事」或「聊天」）的小組社群分享會。

STOP 團隊於 2025 年 4 月進行的意見回饋調查，從收到的 109 份回覆中：

- ✓ 參與者普遍認為活動有趣味：當中 98 位給予 5 星最高評價，10 位給予 4 星評價
- ✓ 參與者認為工作坊提供的資訊容易理解：當中 70 位就此給予 5 星評價，10 位給予 4 星評價

Research Report & Resource Card

In 2024, with thanks to funding from HerFund, STOP conducted research on 'Understanding Vulnerabilities and Agency: Migrant Domestic Workers from Minority Source Countries in Hong Kong'.

To accompany this detailed and important research, STOP has produced information packs on pre-departure and post-arrival information for new MDWs, translated into Sinhala, Hindi, Thai, and Nepali.

STOP has also reconfigured its resource card to an online format to allow more impactful and up-to-date information. So far, the existing information has been transferred to the online format, and this resource base will be slowly built over the course of 2025.

Check out our NEW Resource Card online for useful info for MDWs in various languages!

研究報告及資源卡

2024 年，STOP 團隊獲婦女動力基金撥款支持，就《認識來自少數族裔的外籍家庭傭工在香港的脆弱處境與自主能力》議題進行研究。

為配合這項詳盡且重要的研究，STOP 團隊特別為新來港外籍家庭傭工編製了「離境前及抵港後須知」指南，並將內容翻譯成僧伽羅語、印地語、泰語及尼泊爾語。

此外，STOP 團隊亦將原有資源卡更新為線上版本，以提供更具影響力及與時並進的資訊。目前，現有資訊已成功轉移至線上平台，而該資源庫將於 2025 年逐步完善和擴充。

Ms X, STOP client STOP服務對象

Ms X has been a STOP client for over 2 years, whilst awaiting the trial of her former employer who was charged with her rape. As this necessitated the termination of her employment contract, and move to a tourist visa, she was not allowed to undertake employment during the course of the criminal trial. Without employment and yet still facing housing, food and travel costs, had she not received vital financial support for her daily needs, she would not have been able to remain in Hong Kong to serve as a witness and the case would have been dismissed. STOP has supported her with housing, food and transport allowance, totalling \$2,900 per month for over 2 years. STOP has also supported Ms X through helping her access medical and dental care, medications, and physiotherapy.

STOP was present to lend emotional support throughout the legal process and was present every time she gave testimony at the trial. STOP was with Ms X as she learned of the outcome of the case, and again after the verdict on sentencing.

Now, after two long and emotionally painful years, her former employer has been found guilty and is serving his sentence. Ms X has found a new employer and looks forward to restarting her life.

過去兩年多，X女士一直是STOP團隊的服務對象。在此期間，她正等候其前僱主涉及強姦罪的審訊。由於案件性質，X女士被迫終止原有僱傭合約，轉為持有旅遊簽證逗留香港。根據現行法例，在刑事審訊過程中，她不獲准在港合法工作。然而，在沒有工作的情況下，她仍需面對住房、食物以及交通等日常開支。如果沒有獲得基本生活所需的關鍵經濟援助，她便無法留在香港作為證人出庭，而這宗案件亦很可能因此被撤銷。STOP團隊每月為X女士提供2,900港元的資助，包括住房、食物及交通津貼，並持續支援超過兩年。此外，我們亦協助她獲取醫療、牙科護理、藥物及物理治療等服務。

在整個法律程序中，STOP團隊均到場為X女士提供情緒支援。每當她需要出庭作證時，我們都有同事到場陪伴；當她得悉案件裁決結果，以及後來法庭宣判刑期時，我們亦伴隨在側，與她一同面對。

經過漫長而情緒煎熬的兩年後，X女士的前僱主最終被裁定罪名成立，現正服刑。X女士現已覓得新僱主，重新開始她的生活。

Anna, STOP client STOP服務對象

“ I want to take a moment to express my sincere appreciation for all the support you have provided me. Your generosity and kindness have made a profound difference in my life. I am especially grateful for the transportation support you provide, which has enabled me to participate in various activities that are essential for my growth and healing. I am truly thankful for your unwavering support and belief in my potential. You have not only provided resources but also hope and encouragement, which means the world to me. ”

This message was conveyed to STOP by *Anna* when she left Hong Kong after months of emotional and financial struggle while waiting for her case to be heard.

Anna was arrested at the Hong Kong airport on her way to the Philippines to process a new employment visa. She was handcuffed at the airport departure area and taken to a police station where she was detained for 24 hours before she was allowed to leave after posting bail. She was charged with money laundering; a matter she knew nothing about. Her identity had been used by scammers to deposit HKD289,000 into an online bank.

Anna arrived in the office trembling and very distraught. She relayed that being handcuffed by the Police affected her sleep and caused anxiety attacks. STOP referred her to counselling and offered her ongoing support for daily necessities, transportation allowance and visa extension fees. Despite being on bail, which prohibited her from leaving Hong Kong, Anna was still made to regularly pay \$230 to extend her visa.

After eight months of receiving counselling and support from STOP, the Police dismissed all charges and allowed her to return home. STOP provided her with an air ticket home and some financial support for repatriation.

Without support from STOP, Anna may have felt that she had no choice but to accept a plea bargain for crimes that she didn't commit. The emotional and financial support provided by STOP gave Anna the time and the strength to fight her case. Equally, without the visa extension money provided by STOP, Anna risked being further arrested for overstaying her visa, despite also being prohibited by her bail conditions from leaving Hong Kong.

「我想藉此機會，衷心感謝大家一直以來給予我的所有支持。你們的慷慨與善意，為我的生活帶來深遠影響。特別感激團隊提供的交通支援，讓我得以參與各種對我成長和康復至關重要的活動。對於你們堅定不移的支持，以及信任我的潛能，實在萬分感謝。你們不僅提供了資源，更帶給我希望和鼓勵，這對我而言意義非凡。」

這番話是 Anna 離開香港時向 STOP 團隊傾訴的心聲。此前，她經歷了數月情緒和財務困境，等待其案件審訊。

Anna 在前往菲律賓辦理新工作簽證時，於香港機場被捕。她在機場離境區被戴上手銬，被帶到警署拘留 24 小時後，才獲准保釋離開。她被控洗黑錢，但她對此毫不知情。原來她的身份遭騙徒盜用，將一筆 289,000 港元的款項存入一網上銀行戶口。

Anna 來到 STOP 辦公室時，全身顫抖，情緒極度不安。她憶述，被警方戴上手銬的經歷令她夜不成眠，更引發焦慮症。STOP 團隊為她轉介心理輔導，同時持續提供日常生活必需品、交通津貼及簽證延期費用等支援。儘管 Anna 在保釋期間被禁止離開香港，她仍需定期支付 230 港元以延長她的簽證。

在接受 STOP 團隊輔導和支援八個月後，警方撤銷了所有控罪，允許她返回家鄉。STOP 團隊為她提供了回程機票及一些遣返經濟援助。若沒有 STOP 團隊的支援，Anna 可能會覺得別無選擇，只能就自己未曾犯下的罪行接受認罪協商。STOP 團隊提供的情緒支援和經濟援助，給予 Anna 時間和力量去為自己抗辯。重要的是，若沒有 STOP 團隊提供的簽證延期費用，即使保釋期間不准離港，Anna 仍可能因逾期滯留而再次被捕。

CARE 關懷

Casework Support

The ROAD casework team works directly with community members to assess and address their immediate needs, providing essential care and support. This includes financial assistance for housing-related expenses (such as rent, utility bills, and transportation for moving flats), access to healthcare, household necessities, and nutritious food to ensure food security. Support is also provided for non-refoulement claims, covering application fees for judicial reviews and, when applicable, drafting fees for legal aid submissions. These efforts help safeguard community members from resorting to negative coping strategies, such as illegal employment or redirecting resources meant for childcare or education.

The casework team also assists with mental health and wellbeing by offering in-house counselling or referrals to centres like OASIS when needed. Additionally, partnerships with other organizations allow us to provide dental and health talks, check-ups, and legal and welfare information sessions, empowering the community with knowledge and resources to improve their well-being and stability.

個案工作

ROAD 個案工作團隊直接與社區成員跟進，評估並處理他們當前的迫切需求，以提供確切的關懷和支援。支援包括住房相關支出（例如租金、水電費和搬遷住所的交通費）協助獲得醫療服務、提供生活用品以及有營養的食物以確保充足糧食供應。我們亦為免遣返保護聲請提供支援，包括司法覆核申請費用，以及在適用的情況下，支付法律援助申請的草擬費用。這些工作有助於保護社區成員，避免他們採取不當的應對策略，例如非法就業或將原本用於兒童照顧或教育的資源轉向其他用途。

ROAD 團隊亦透過提供心理輔導或在需要時轉介至 OASIS 等中心，以協助處理心理和身心健康問題。此外，透過與其他機構的合作，提供牙科及健康講座、檢查，以及法律和福利資訊講座，使社區能掌握知識和資源，從而提升他們的身心健康和穩定性。

Secret Angels Programme 「秘密天使」計劃

Since its inception in 2018, the Secret Angel (SA) Programme, a monthly financial support initiative, provided vital assistance to 119 families, encompassing 317 individuals, until its conclusion in December 2024. SA empowered recipients by offering flexible financial aid, allowing them to allocate resources according to their unique needs. This approach restored dignity and autonomy to asylum seeker families in Hong Kong, enabling them to address essentials like food, healthcare, and education during challenging times.

Over six years, the programme fostered stability and resilience among participants. In January 2025, SA will transition into the STAR (Support Trust of Accommodation for Refugees) programme, which shifts focus toward accommodation support to better address pressing housing needs. STAR introduces a selection mechanism which involves multiple criteria to prioritize families with greater vulnerabilities, targeting 104 families and 260 individuals.

While SA's broad support concludes, STAR aims to deliver more tailored aid. We express deep gratitude to all donors whose unwavering contributions have sustained these efforts, ensuring continued impact as the new programme begins.

STAR Programme STAR計劃

作為一項每月提供財政支援計劃，「秘密天使」計劃自 2018 年成立以來直至 2024 年 12 月結束期間，為 119 個家庭、合共 317 人提供了重要的經濟援助。該計劃希望透過靈活的經濟援助，賦予受助者自主經濟決策權，讓他們能根據自己的需要分配資源。此舉不僅恢復了香港免遣返聲請人家庭的尊嚴和自主權，更幫助他們在艱難時期解決食物、醫療保健和教育等基本需求。

在過去的六年裡，「秘密天使」計劃培養了受助者的穩定性和韌性。在 2025 年 1 月，「秘密天使」計劃革新轉型為「難民住宿支援計劃」(Support Trust of Accommodation for Refugees, STAR)，將重點轉向至住宿支援，更有效應對迫切的住房需求。STAR計劃訂立了多項標準的遴選機制，優先支援處於更脆弱境地的家庭，目標惠及104個家庭共260人。

雖然「秘密天使」計劃的支援已告一段落，但 STAR 計劃旨在提供更有針對性的援助。在此，希望枝子由衷感謝所有捐款者的堅定支持，他們的慷慨貢獻讓我們的工作得以持續，並確保在新計劃啟動時能持續發揮深遠影響。

ARISE

In 2024 we saw 103 new families, representing 191 individuals, join the mid-week ARISE Fellowships run by our partner The Vine Church. Additionally, the average attendance for Q1 to Q4 also grew as follows:

1. Vine Church Sunday services increased 33%
2. ARISE Wednesday Fellowships increased 60%
3. Friday Bible School increased 162%

While our focus isn't solely on numerical growth, these significant increases are truly inspiring. They reflect a deep desire in people's hearts to connect with God and foster hope for the future, for which we give thanks to our Lord.

Take 10 programme

A group of BOH's volunteers started the "Take 10" programme in September 2024, with a belief that investing in a mother would benefit her entire family. 10 mums were chosen from the community who live in the Yuen Long area. Our team provided them with quality courses over the period of 10 months. There was an amazing variety of courses during the "Take 10" programme. Highlights included budget meal preparation, Pilates, Cantonese for the supermarket and school, and many more. The mums really enjoyed their child-free Friday mornings (we ran a kindergarten class at the same time) allowing them to focus during each course on their own learning and wellbeing.

難民和免遣返聲請人門徒訓練

在2024年有103個新家庭，共191人，加入了由我們的合作夥伴葡萄藤教會負責的難民和免遣返聲請人門徒訓練（ARISE）。從第一季到第四季的平均出席人數有以下增長：

1. 葡萄藤教會主日崇拜人數增加了 33%
2. ARISE週三團契人數增加了 60%
3. 週五聖經班人數增加了 162%

縱然我們並非僅聚焦於數字上的增長，但這些顯著的增長確實令人振奮，因為它反映了人們內心渴望與神建立聯繫，對未來更抱有希望，為此我們衷心感謝主。

「Take 10」課程

懷著「關顧一位母親將惠及整個家庭」的信念，一群希望枝子的義工於2024年9月開始了「Take 10」課程。我們從居住在元朗地區的社區成員中挑選了10位母親，在為期10個月的時間內為她們提供優質課程。計劃的課程內容多樣且精彩，涵蓋經濟實惠的膳食製作、普拉提、超市及學校常用廣東話等豐富項目。母親們尤其享受週五早上無需照顧孩子的時光（因為我們同時段提供幼兒服務），讓她們能在每節課中專注於自身學習和身心健康的提升。

CARE 關懷

Resettlement

The project targeted non-refoulement claimants, both those with substantiated claims and those without, who were seeking relocation from Hong Kong to Canada through the Private Sponsorship of Refugees (PSR) Programme.

Throughout 2024, the ROAD PSR programme provided preliminary information sessions on resettling to Canada via the PSR, directly serving 28 people. The ROAD Programme also extended financial support to 36 individuals during the same period.

Additionally, 15 households directly benefitted from the ROAD PSR services, with the ROAD team guiding them through the entire resettlement process. The ROAD Programme services also created member profiles for 4 community members, facilitating the start of their PSR journey.

移居第三國

本計劃針對幫助免遣返聲請人和經已核准的申請人，透過私人贊助難民計劃 (Private Sponsorship of Refugees, PSR) 從香港移居至加拿大。

在 2024 年，ROAD 團隊提供了有關透過私人贊助難民計劃而移居至加拿大的初步資訊講座，當中服務了 28 人。同時，ROAD 團隊還向 36 人提供了財政支援。

此外，有 15 個家庭直接受惠於 ROAD 私人贊助難民計劃，他們在 ROAD 團隊協助下完成整個移居至第三國的過程。ROAD 團隊亦為 4 位社區成員建立檔案，使他們能開始 PSR 的申請。

Repatriation

The project targeted non-refoulement claimants who needed to return from Hong Kong to their countries of origin, either on a voluntary or involuntary basis. The ROAD team provided casework assistance and financial support, engaged with relevant stakeholders, and developed plans to ensure community members were well-informed and prepared for their departure.

From January 2024 to December 2024, the ROAD Repatriation project provided direct support to 25 individuals (12 households) via intake assessments, referrals, and financial assistance following their arrival in their home country. ROAD provided financial assistance to 24 individuals (11 households) at the time of their departure through the Repatriation support in 2024.

返回原居國

本計劃針對幫助需要自願或非自願從香港返回原居國的免遣返保護聲請人進行安置計劃。ROAD 團隊提供個案工作協助及財政支援，與相關持份者接觸，並制定計劃，確保他們在離開香港前得到充分的資訊和準備。

ROAD 團隊在 2024 年 1 月至 12 月期間，透過評估、轉介和財政支援，直接為 12 個家庭、共 25 人提供服務，直至他們回到自己的原居國。另外在 2024 年，ROAD 透過遣返支援，為 11 個家庭、共 24 人離開香港時提供財政支援。

Summer School

ROAD Summer School 2024 was a thrilling experience provided for primary school aged refugee and asylum seeker children who were registered with the ROAD Programme. Summer School targeted children who have little or no resources and opportunities to enjoy summer activities. The three week programme took place from August 5 to August 23 with students meeting from Monday to Friday. The goal was to create an enabling environment for 60 children between the ages of 6-13 to magnify their happiness, boost their confidence, and to enhance their social skills and overall wellbeing.

With the theme “AROUND THE WORLD”, students had 270 sessions of fun activities and were divided into groups such as Young Explorers, World Travelers, Adventurers, Globe Wanderers, and Discovery Crew. Some of the activities included food tasting where students were able to sample dishes from various countries, a visit to the Ocean Park, as well as a carnival fun fair.

暑期夏令營

2024年ROAD 暑期夏令營於8月5日至23日成功舉辦，夏令營為年齡介乎小學、且已在ROAD 登記的難民及免遣返聲請人的子女提供精彩的暑期活動。這個為期三週的夏令營專為缺乏資源與機會參與暑期活動的兒童設計，課程安排於週一至週五進行，旨在為60名6至13歲的兒童創造一個快樂的環境，增強他們的自信心，並提升他們的社交技能及身心健康。

2024年夏令營以「環遊世界」為主題，學生們一共參加了 270 節有趣的活動，參與的學生被分為「小小探險家」「世界旅行家」「冒險家」「環球漫遊者」及「探索先鋒」等小組。活動內容豐富多彩，包括品嚐各國美食、參觀海洋公園以及參與充滿歡樂的嘉年華會。

Education Support

The education support programme at Branches of Hope is crucial to the development of our young community members and continues to build on past achievements over the years. In the 2024-2025 academic year, the programme supported 60 kindergarten students and 69 primary school students. This programme not only provides refugee and asylum seekers' children with access to education, but it also follows up on the performances and progress of students by coordinating with schools and parents.

Acknowledging the benefits of providing services in a holistic approach, the education sponsorship has integrated casework services and parents' support groups. These have helped parents to deal with diverse and challenging situations concerning their children's education. We are exceedingly grateful to the sponsors of this education program who make it possible for these children to keep learning.

教育支援

希望枝子的教育支援計劃對於我們年輕的社區成員的發展至關重要，並在過去多年的成就基礎上持續發展。在 2024-2025 學年，該計劃已資助了 60 名幼稚園學生和 69 名小學生。該計劃不僅為難民及免遣返聲請人的子女提供接受教育的機會，也透過與學校及家長的協調，跟進學生的表現和進度。

我們明白以全方位方式提供服務的好處，因此教育支援計劃整合了個案工作服務和家長支援小組。這些措施有助於家長處理與子女教育相關的各種具有挑戰性的情況。我們非常感謝本教育計劃的贊助者，他們使這些孩子得到機會持續學習。

Adult classes

For nearly 8 years, Branches of Hope has been organising two weekly Adult English Classes to support our community members. This initiative provides essential language skills to individuals during their stay in Hong Kong, empowering them to navigate daily life, access services, and create a community.

Learning English is particularly vital for them in Hong Kong, where the language serves as a key medium for communication in legal, medical, and social contexts. The programme not only fosters practical skills but also boosts confidence and hope, offering a sense of agency during an uncertain period. A big thank you to our teacher, Ca, for her amazing lessons and work!

成人課程

近8年來，希望枝子一直開辦每週2班的成人英語課程，為我們的社區成員提供基礎的語言教學，使他們能應付日常生活的需要、由此獲得所需服務以及建立社群。

在香港，學習英語對他們來說尤其重要，因為英語是法律、醫療和社會環境中的主要溝通媒介。本計劃不僅培養了實用技能，還增強了他們的信心和希望，在不確定的時期提供信心。在此，希望枝子非常感謝我們的英文老師Ca，感謝她一直以來精彩的課程和辛勤的工作！

Branches of Hope provides training workshops including Understanding Trauma, Ethical Storytelling and Design Thinking. BOH also provides volunteer opportunities to HKU students through both ROAD and STOP.

In April 2025, participating students will organize a publicity campaign within the HKU campus, advocating for greater understanding for the most marginalized groups of people in Hong Kong.

DIANA (Education Support & Parents Group)

DIANA and her two children arrived in Hong Kong in 2024 and faced the challenges of adapting to a different environment. She sought a safe community but found the transition to Hong Kong both overwhelming and hopeless. She reached out to Branches of Hope (ROAD) for assistance and to avoid anyone from taking advantage of her.

When her children were enrolled in school through the education support programme, she was encouraged to join the Parents Support Group to help with her sense of isolation that came from navigating a new culture, language and social norms without any friends or family.

After joining the parents group, DIANA expressed genuine interest in learning and growing as she eagerly attended Parenting workshops and nail art training sessions. She made new friends from her home country and started feeling a sense of belonging and calm. With her warm smile and approachable demeanor, it made it easy for others to connect with her.

The enabling environment created an infectious sense of positivity and enthusiasm within her, and she shared her experiences and insights on parenting without any fear or hindrances.

DIANA actively participated in discussions and contributed her ideas, encouraging others to do the same, which fostered a sense of community and togetherness. She became a leading participant of the Parent Support Group and her attitude inspired and motivated other members.

DIANA has now built strong ties with other community members who help one another with difficulties arising from their children's education, especially communicating with teachers and helping their children with homework. Anytime you come across her, her face beams with smiles and hope.

"I am glad I joined the Parents Support Group. It has helped me and my children in so many ways, and I have learned a lot. I do not feel left out, alone or depressed anymore because I have got sisters around me to help." She has expressed interest in joining more of ROAD's activities because it makes her happy and keeps widening her knowledge base through useful workshops and skills acquisition.

The Parent Support Group has played a crucial role in the well-being of families of our community members (refugees and asylum seekers) by providing emotional support, shared knowledge, resources, skills development and community building. It has also motivated and encouraged community members by addressing specific needs, empowering parents, promoting mental health and opportunities for cultural exchange.

DIANA（教育支援計劃 & 家長支援小組）

DIANA 帶著她的兩個孩子於 2024 年抵達香港，處於適應不同環境的過渡期，她面臨著種種挑戰。她嘗試尋求一個安全的社區，但發現適應香港的生活既讓人感到不知所措，又充滿希望。為尋求幫助並避免被他人利用，她聯繫了希望枝子 ROAD 團隊。

通過教育支援計劃，她的兩個孩子順利入讀學校。她受邀加入家長支援小組，以緩解因適應陌生文化、語言和社交規範，且缺乏親友支持而產生的孤立感。

加入家長支援小組後，DIANA 表現出對學習和成長的熱誠，積極參加親子工作坊和美甲培訓課程。她結識了來自她家鄉的新朋友，逐漸感受到歸屬感，這讓她內心平靜下來。她溫暖的笑容和平易近人的舉止，她輕鬆地與他人建立聯繫。

這種充滿支持的環境激發了她內心的積極和熱情，她毫無懼怕或障礙地分享了她在養育孩子方面的經驗和見解。DIANA 積極參與討論，貢獻她的想法，並鼓勵其他人也這樣做，從而培養了一種社區感和凝聚力。她成為家長支援小組的主要參與者，她的態度也啟發和激勵了其他成員。

現在，DIANA 已經與其他社區成員建立了深厚聯繫，彼此攜手應對子女教育中的挑戰，特別是在與老師溝通和指導孩子做功課方面。每當遇到她時，她總是面帶笑容，滿懷希望。

「我很高興加入了家長支援小組。它在很多方面幫助了我和我的孩子，讓我收穫頗豐。我不再感到孤立無援或沮喪，因為身邊有姐妹們可以相互幫助。」她表示有興趣參加更多 ROAD 的活動，因為這些活動不僅帶給她快樂，還通過實用的工作坊和技能培訓持續拓寬她的知識視野。

家長支援小組在促進社區成員（難民及免遣返聲請人）的身心健康方面發揮了不可或缺的作用，通過提供情緒支援、知識共享、資源整合、技能提升及社區凝聚力建設，顯著改善了他們的生活質素。該小組不僅滿足了特定需求，還通過賦能家長、促進心理健康及推動文化交流，激勵並鼓舞了社區成員，為他們帶來更多機遇與希望。

A Somali family (Casework Support)

After 12 years of navigating life in Hong Kong as asylum seekers while waiting for their non-refoulement claim to be approved, a Somali family of three was finally granted refugee status. Their journey was marked by immense challenges, but with support from Branches of Hope, they found stability and hope for a brighter future.

The parents met in Hong Kong and built their life together, welcoming their son into the world eight years ago. However, the family faced numerous difficulties over the years, including legal and medical hurdles. Branches of Hope stepped in to offer critical support, ensuring the family's well-being and enabling them to live with dignity and security.

One of the family's most pressing challenges was a legal case involving the father. Despite his efforts to obtain legal aid, his application was rejected, leaving the family in an unstable situation. Facing the risk of an unjust outcome, BOH carefully evaluated the case and decided to partially support the costs of a low-bono lawyer. This assistance played a vital role in resolving the legal matter. The family can now live freely without the constant fear of legal uncertainties, allowing them to focus on rebuilding their lives.

Beyond legal support, the family also faced challenges related to their son's health. The child was diagnosed with ADHD at a level significant enough to require medication and specialized education. After undergoing assessment, doctors recommended that he attend a school for children with special educational needs (SEN) and take prescribed medication to support his development. Understanding the importance of early intervention and the financial strain this placed on the family, BOH stepped forward to cover a portion of the monthly medication costs. This consistent support has led to remarkable improvements in the child's behavior and overall well-being.

Today, the boy is thriving. With proper medication and support, he has become more focused and is able to enjoy his favorite activities, including football training. His happiness and progress are a testament to the transformative impact of timely and compassionate intervention.

Now, after years of adversity, the family can finally set their hurdles aside and look forward to the future with hope. With their refugee status officially recognized, they may have an opportunity to be resettled to another country where they can rebuild their lives and explore new opportunities. This milestone marks the beginning of a new chapter for the family, one filled with possibilities and renewed optimism.

BOH's assistance has empowered this family to overcome some of their most significant challenges, offering them the stability to move forward. The father and mother no longer bear the weight of legal and financial stress, while their son is growing into a happy and healthy child with a bright future ahead. This story reflects BOH's commitment to supporting vulnerable families in our community, walking alongside them as they navigate their journey toward hope and a better tomorrow.

來自索馬里的家庭（個案工作）

來自索馬里的一家三口在香港作為尋求庇護者生活12年，期間等待免遣返聲請獲批，終於成功取得難民身份。他們的旅程充滿了艱辛與挑戰，但在希望枝子的支持下，他們獲得了穩定的生活，並對未來燃起希望。

這對父母在香港相識相愛，攜手共建家庭，並於8年前迎來了他們的兒子。然而，多年來，家庭面臨諸多困難，包括法律糾紛與醫療問題。希望枝子介入並提供關鍵性的支援，確保這個家庭的身心健康，讓他們得以有尊嚴且安全地生活。

其中一個重大挑戰涉及父親的法律案件。儘管他積極申請法律援助，但他的申請仍被拒絕，使家庭陷入不穩定的處境。面對不公正結果的風險，希望枝子仔細審視案件詳情，決定部分資助公益律師費用。

這項援助在解決法律問題上發揮了關鍵作用。現在，家庭無需再為法律不確定性而惴惴不安，能專注於重建生活，迎接新的開始。

除法律支持外，這個家庭還需應對兒子的健康問題。男孩被診斷患有過度活躍症(ADHD)，病情嚴重，需接受藥物治療及特殊教育。經專業評估，醫生建議他入讀專為特殊教育需要（SEN）兒童而設的學校，並服用處方藥物來支援他的成長。鑑於早期介入的重要性及家庭的經濟壓力，希望枝子決定承擔每月部分藥物費用。這種持續的支持顯著改善了男孩的行為表現與整體身心健康。

如今，男孩在適切的藥物治療與關懷下，變得更加專注，並能全心投入他喜愛的活動，包括足球訓練。他的快樂和進步證明了適時的介入及關心所帶來的正面影響。

現在，經歷了多年的逆境，這個家庭終於可以卸下重擔，並懷著希望展望未來。隨著難民身份得到正式認可，他們有望移居至第三國，展開新生活，探索更多可能性。這一里程碑標誌著這個家庭新篇章的開始，充滿可能性和樂觀展望。

BOH SUNDAY 2024 AT THE VINE CHURCH

希望枝子星期日 2024

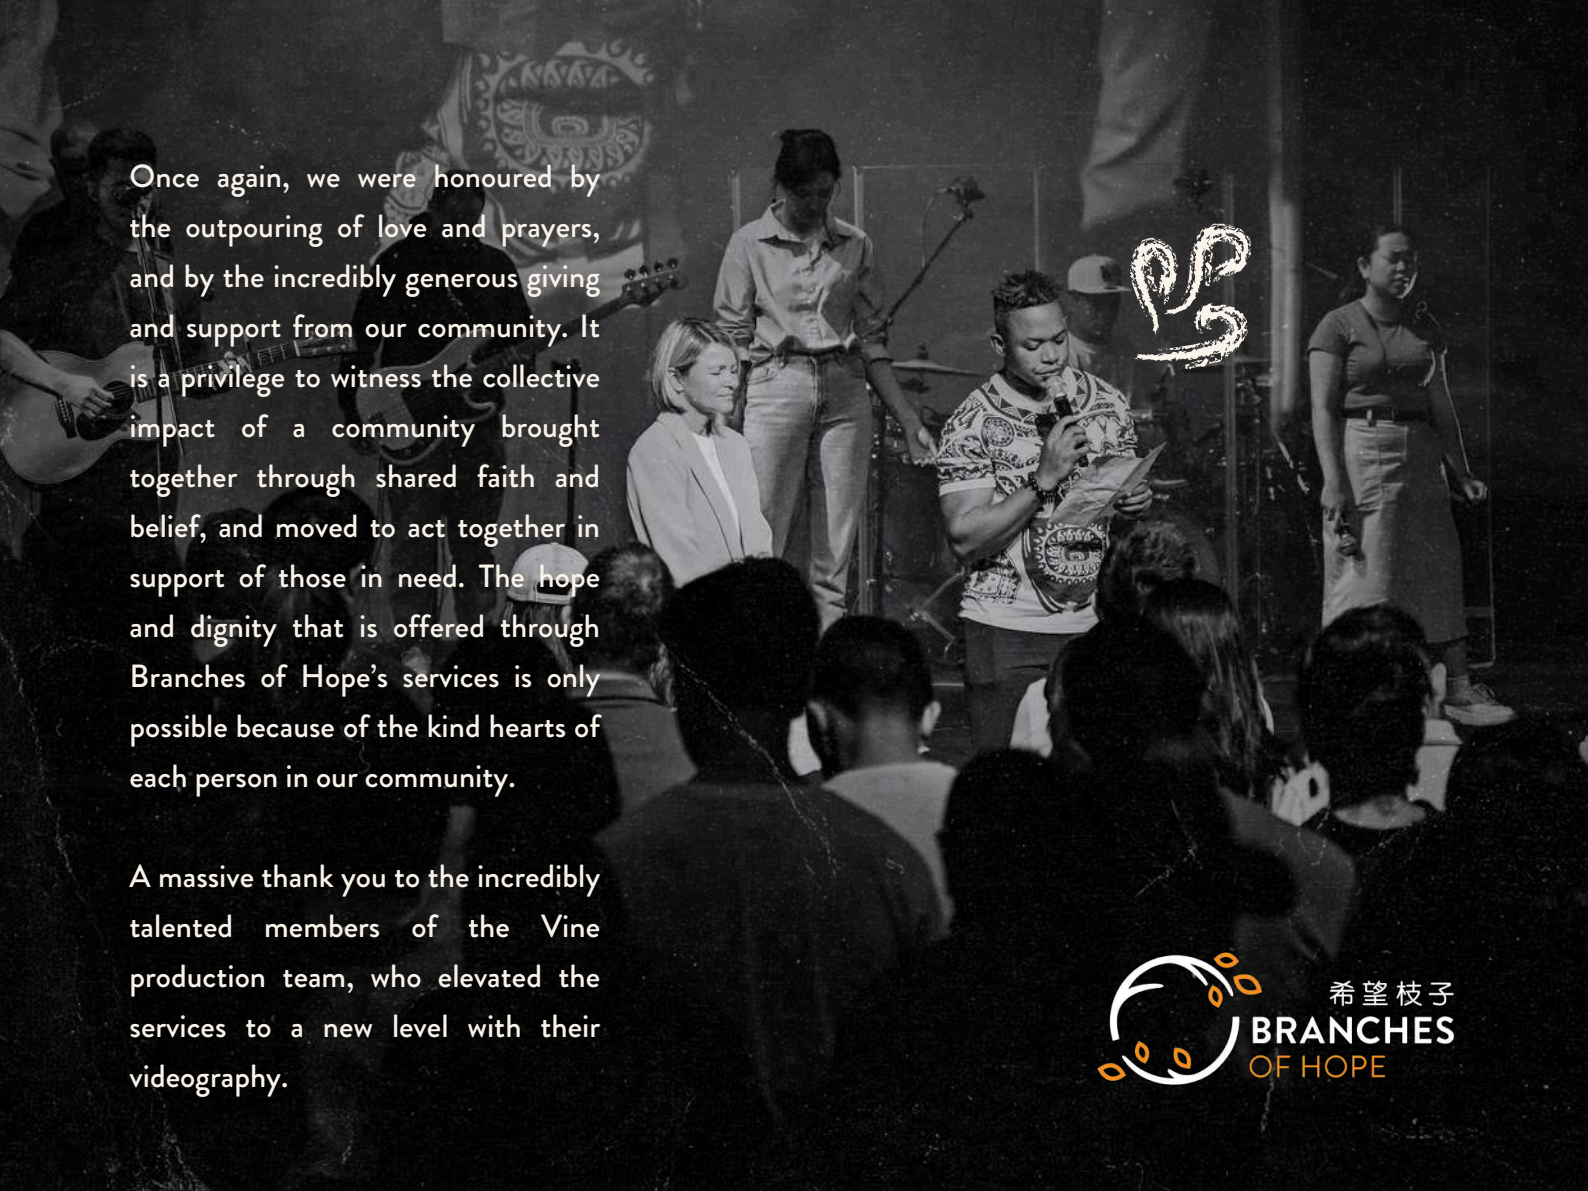

Each year we are blessed to return to our spiritual home at the Vine Church for Branches of Hope Sunday, where we come together to learn, to pray, and to gather support for the vulnerable communities that we hold dear.

Across three services in Wan Chai, our congregation heard from founding pastor of the Vine church Mr. Tony Read, who spoke on the creation of Branches of Hope and the vision for our work. We were inspired by the reflective sermon from Mr. Ellison Tsang, and we were humbled by the testimonies of Branches of Hope's community members, shining a light not only on the impact of service programmes, but on what it means to be part of the Vine community. We were blessed to share this day with our Vine community in Yuen Long as well, connecting through English and Cantonese sermons and reflecting the organisation's efforts to expand its services to this neighbourhood.

每年，我們都懷著感恩的心回到葡萄藤教會舉行「希望枝子星期日」。在這一天，我們共聚一堂，一同學習、祈禱，並為我們珍視的弱勢社群凝聚支持。

在灣仔的三場崇拜中，葡萄藤教會的創會牧師Tony Read 先生向會眾分享了希望枝子的創立過程及工作願景。Ellison Tsang 先生發人深省的講道令我們深受感動，而希望枝子社群成員的真摯見證更是觸動人心。這些見證不僅展現出服務計劃所帶來的影響力，亦令我們深刻體會身為葡萄藤教會社群一份子的意義。在2024年，我們亦在元朗區的葡萄藤教會分享這一天，透過英語和廣東話的講道建立聯繫，並反映出希望枝子努力將服務擴展到元朗鄰近地區的目標。

Once again, we were honoured by the outpouring of love and prayers, and by the incredibly generous giving and support from our community. It is a privilege to witness the collective impact of a community brought together through shared faith and belief, and moved to act together in support of those in need. The hope and dignity that is offered through Branches of Hope's services is only possible because of the kind hearts of each person in our community.

A massive thank you to the incredibly talented members of the Vine production team, who elevated the services to a new level with their videography.

我們再次感謝各位傾注的愛與禱告，以及葡萄藤教會社群成員的慷慨奉獻與支持。能見證一個因共同信仰和信念而凝聚起來的社群所產生的集體影響力，實在榮幸之至。希望枝子的服務之所以能為香港弱勢和邊緣人士帶來希望與尊嚴，全賴每一位的善心。

最後，我們要向葡萄藤教會製作團隊的成員致以衷心感謝，他們卓越的影片製作技術令崇拜昇華到另一層次。

BAKE SALE 2024 AT THE VINE CHURCH

聖誕慈善義賣2024

Festive joy and full bellies filled the hall as Branches of Hope hosted the Advent Bake Sale at the Vine Church on December 15th. This wonderful opportunity brought together our community with holiday spirit and Christmas cheer whilst raising over HK\$50,000 in support of our services!

Bottles of mulled wine lined the Christmas market stalls alongside an assortment of mince pies, gingerbread, muffins and brownies. A heartfelt thank you to our 28 talented bakers and 20 amazing volunteers who made this event possible with their delicious treats and dedicated work manning sale booths. We also extend our appreciation to Selah Hong Kong for sharing their delicious almond butter and Gutsy for donating mouthwatering pastries! It was a pleasure to collaborate for this festive celebration.

12月15日，希望枝子在葡萄藤教會舉辦的聖誕慈善義賣，滿溢著溫暖的聖誕氣息與滿足的味蕾享受。這場充滿愛與團聚的活動，將我們的社區緊密連繫，點燃了濃濃的節日喜悅，同時為我們的服務項目成功籌得超過50,000港元的善款！

聖誕市集的攤位上，熱騰騰的聖誕熱紅酒散發著迷人香氣，與琳琅滿目的肉餡派、可愛薑餅、鬆軟鬆餅和濃郁布朗尼相互輝映。我們由衷感謝28位才華橫溢的烘焙義工，用心製作出一道道令人垂涎的糕點；同時感謝20位充滿熱情的攤位義工，確保義賣順利進行。此外，我們衷心感激 Selah Hong Kong 慷慨分享美味的杏仁醬，以及 Gutsy 捐贈令人回味無窮的精緻糕點！感恩與以上夥伴攜手打造這場充滿節日氣氛的慶典。

SCHKM CHARITY PROGRAMME 2024

渣打香港馬拉松慈善計劃2024

Nothing brings people together quite like sports and shared goals, clearly demonstrated by the amazing experience we had as a partner for the inaugural charity programme at the Standard Chartered Hong Kong Marathon 2024.

Composed of Branches of Hope supporters, staff, and community members, our 30 strong team of runners, dubbed the Non-STOP ROAD-Stars, took to the pavement on a sunny Sunday morning in January to represent and raise funds for our community. Together we raised an incredible HK\$271,411 in support of our service programmes. A huge thank you to all of our runners and to everyone who contributed to their fundraising campaigns. A special thank you to all of our amazing prize sponsors, who donated fantastic fundraising incentives to our runners: Escapade Sports, FLOWGA Studios, Joint Dynamics, Ocean Park, Pirata Group, and MY Medicare!

Moody's Ratings

Art has the ability to transcend cultures and languages, and it served as the catalyst for a wonderful collaborative activity between staff at Moody's Ratings and members of Branches of Hope's RAS community.

Guided by the amazing art therapist Kayan from Inspirem Music & Art Therapy, everyone was able to show off their painting skills on the theme 'Connect'. Over an afternoon of painting and reflection, connections were made, friendships were formed, and stories were shared. A big thank you for the team from Moody's who took the time not only to learn about our community members, but to build connections with them too.

穆迪信評

藝術能打破文化和語言隔閡，也是希望枝子的難民與免遣返聲請人（RAS）社群成員及穆迪信評員工之間的催化劑，促成了一場精彩的文化活動。

在韻創樂集的出色藝術治療師 Kayan 的指導下，參加者以「連繫」為主題，盡情發揮繪畫才華。經過一下午的繪畫和反思，參加者之間產生了聯繫，更建立了友誼、並分享了各自的故事。我們特別感謝穆迪信評團隊，他們不僅願意花時間了解我們的社群成員，更與他們建立了深厚的聯繫。

EDUCATION PARTNERS 教育機構伙伴

Working with students of all ages is vital to raising awareness and understanding of the challenges facing the communities supported by Branches of Hope, and we are fortunate to have the opportunity to partner with amazing educational institutions across Hong Kong. It is inspiring to see such interest from students and the creative directions they take their curiosity, from filmed documentary style interviews to student-led interest clubs working to raise awareness amongst fellow students.

Families from our community were invited to take part in school wide community events, such as Harrow International School's Long Ducker Charity Day and Hong Kong International School's World Fair, providing fun opportunities for these families.

Our community has also been extremely moved by the show of support from many students and schools, with in-kind donation drives run at Korean International School and Hong Kong Academy dedicating proceeds from its annual RISE Talent Show.

與不同年齡層的學生合作，對推動希望枝子工作至關重要，因為此舉有助我們更加了解受助社群所面臨的挑戰。我們有幸與香港多間傑出的教育機構建立夥伴關係，共同推動這項使命。看到學生展現濃厚興趣，並以創意方式探索議題，從紀錄片式訪問到由學生主導的關注小組，致力提升同儕對相關議題的認識，實在令人鼓舞。

我們亦邀請了社群中的家庭參與各校的全校性社區活動，例如哈羅香港國際學校的 Long Ducker 慈善日，以及香港國際學校的世界嘉年華，為家庭帶來了輕鬆有趣的參與機會。

我們的社群亦深受來自不同學生及學校的支持所感動，例如韓國國際學校舉辦的物資捐贈活動，以及香港學堂國際學校將年度 RISE Talent Show 的收益全數撥捐希望枝子以支持社區成員。

Testimonials from School Partner 教育機構伙伴分享

“

HKIS's partnership with Branches of Hope has transformed our faculty and students' perspectives and understandings of ourselves, our communities and humanity's interconnected relationships. Through working with Branches of Hope, our students are inspired and supported to develop the skills they need to form authentic relationships in our diverse society and to make meaningful contributions to our community.

We value and appreciate how Branches of Hope keeps individuals and human connection at the heart of what they do. Their work embodies the idea of “together we go farther”. This collaboration fosters genuine connections and models authentic partnerships, built on shared responsibility and mutual respect.

香港國際學校與希望枝子的合作改變了我們的師生對自我、社區及人際關係的認知與理解。通過與希望枝子的協作，我們的學生不僅獲得啟發與支持，更培養了在多元社會中建立真誠關係的關鍵能力，從而為社區作出有意義的貢獻。

我們深切珍視希望枝子始終將「以人為本」的理念置於工作核心的堅持，其工作完美詮釋了「獨行快，眾行遠」的協作精神。這種合作不僅促成了真摯的情感連結，更建立起基於共同責任與相互尊重的夥伴關係。

BRANCHES
OF HOPE

FROM OUR SUPPORTERS 希望枝子支持者分享

BoH is creating lasting change by empowering individuals and strengthening the refugee & asylum seeker communities, ensuring that hope turns into action. Being part of this mission has been inspiring, especially witnessing the deep connections creating and maintaining within the BoH community. Seeing firsthand the resilience and transformation of beneficiaries reminds me why this work is so essential. One area that has enabled me to connect personally is through the Standard Chartered HK Marathon, which has allowed me to use my love of running to directly help raise funds for the meaningful work of BoH.

希望枝子透過賦權個人及凝聚難民與免遣返聲請人社群，創造長遠影響，將希望化為行動。能參與其中，尤其是見證希望枝子在社群內部創造和維繫深厚的關係，令我深受啟發。我親眼見證受助人的韌性與轉變，再次提醒我希望枝子的工作為何如此重要。其中一項令我與希望枝子結緣的活動是香港渣打馬拉松，那次活動讓我發揮對跑步的熱情，直接為希望枝子籌款，支持他們意義非凡的工作。

- Nigel Raymont

Supporting Branches of Hope in Hong Kong was an easy decision because they champion such a unique and vital cause. I first got involved by meeting members of their community through their inspiring annual football tournament, which gave me a firsthand glimpse of the hope and resilience they foster. Their dedication to empowering refugees, human trafficking survivors, and marginalized individuals fills a critical gap in our society, and I'm proud to contribute to their transformative work.

我毫不猶豫決定支持希望枝子，因為他們致力於推動一項獨特且至關重要的使命。我在希望枝子的年度足球錦標賽第一次接觸到他們的社區成員，那次體驗令我親眼見證他們營造的希望與韌性。他們致力賦權難民、人口販運倖存者及邊緣化群體，填補了社會中的關鍵缺口。他們的工作帶來改變，能夠支持他們，我引以為傲。
